## EXPERIENCE

ALTIA CENTRAL, NAGOYA, AICHI, JAPAN, MAY 2022 TO APRIL 2023

### PUBLIC SCHOOL ALT

- Enhanced students' communication skills by delivering engaging lessons tailored to their age and employing effective teaching techniques.
- Developed comprehensive lesson plans, designed engaging activities, and facilitated effective communication among staff members in a second language.
- Achieved notable improvement in student participation by implementing creative and interactive teaching methods that fostered active learning.
- Contributed to the planning and implementation of a wide range of extracurricular and community activities, including English teaching events, speech contest judging, sports clubs, and community events.

SOLE GRILL AND SUSHI BAR, SENECA, SC, JUNE 2021 TO APRIL 2022

### SERVER

- Performed cashiering functions, including closing checks and generating end-of-day reports, ensuring accurate financial transactions.
- Delivered prompt, professional, and friendly service to guests, efficiently handling their food and beverage requests.
- Coordinated various solutions for issues that arose within the restaurant, collaborating with personnel to maintain customer loyalty and staffing optimization.
- Collaborated with team members to assist patrons and provide a high-class customer service experience while ensuring excellent service delivery standards.

STAYMOBILE, CLEMSON, SC, MAY 2017 TO MAY 2018

### REPAIR TECHNICIAN

- Served as an in-store technician specializing in the repair of electronic devices, including smartphones, tablets, consoles, and laptops.
- Administered customer data input, efficiently completed repair and sale processes, and delivered exceptional customer service with a high level of professionalism.
- Employed diagnostic and troubleshooting skills to effectively identify issues and provide accurate and timely solutions.

ANDERSON SCHOOL DISTRICT 5, PENDLETON, SC, NOVEMBER 2016 TO MAY 2017

### COMPUTER TECHNICIAN

- Ensured the smooth operation of computer systems by conducting regular maintenance, diagnosing and repairing faulty hardware, and providing instruction to staff on the proper usage of workstations.
- Maintained accurate records of repairs, updates, and maintenance tasks, meticulously logging them into the database for efficient tracking and management.
